

Custom Tanning Required Information

If you can't print the form, then here is a simple solution. Simply fill out the below information on any sheet of paper and place with your skins for delivery. Make sure the paper the information is placed on, is kept in a waterproof bag to protect it from the skin.

Please include:

- **Name**
- **Phone Number**
- **Type of Skin**
- **Number of Skins**
- **Address**
- **Skin Preservation (Salted, Frozen)**
- **Email Address**

Please also include this line:

- **“I accept all risks and conditions of Classic Sheepskins custom tanning service”**
- **Please add all this information with your signature.**

The terms that you need to add the above line for are that;

Whilst it is our intention of returning your skin in the best possible condition, due to the difficulties in processing and the differing nature of each of the individual skins; shape and substance and the susceptibility by: Flaying, Bacteria, Fleshing and Shaving we can offer NO Guarantees. I accept that there is an inherent risk to the processing of my Skin and that Classic Sheepskins will process at all care and NO responsibility. I declare that these skins are from disease free animals domiciled in New Zealand. I accept that if my skin is tanned and suffers hair loss, holes open up, or any other issues due to poor preparation/selection, that could not be identified at the point of inspection I am liable. I accept that I will still be required to pay tanning cost for my skin. I accept that if payment hasn't been made or arranged within 2 months of being invoiced my skin may be sold.
